I might have done so already, but I'll check. Nikki's trying to round up the gang. Do you want to participate if I get them together? I think that was what we had agreed was the best next step, right?

Not yet – he's been out on sick leave. Do you want to circulate my email as a starting point?

Any thoughts from Steve O on the situation? I'm trying to round up the gang here but I think they've been swamped with a bunch of other matters. Hoping to grab them for a 30 minute discussion today but it might not happen.
